Letter of Reference for Frances Linzee Gordan

I managed and edited the Insight SmartGuide to Dubai and Abu Dhabi, a new book written entirely by Frances and printed by Apa publications in 2009.

Frances was a joy to work with and undertook this daunting project at short notice and did a remarkable job to remain on deadline.

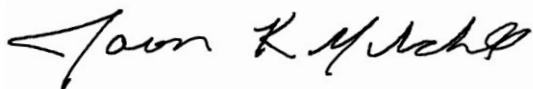

Her skills as an author, from researching to writing are impeccable and Frances also brings an x-factor to her projects – her outstanding charisma.

This was an invaluable asset that allowed her to gain access and insider knowledge while researching this destination.

Frances also provided us with good contacts at local authorities who gladly helped us in the production of the book especially regarding maps.

It was a complete pleasure to work with Frances and I can not recommend her enough as a writer and as a person of unique professional integrity.

Warmest regards

Jason Mitchell
